WHIPcream INOX

0,5 L | 1,0 L

Try our
signature
recipe!

WHIPcream INOX is the professional cream whipper for the preparation of both, hot and cold dishes as well as for both sweet and spicy recipes. This WHIPcream complies with the European regulations on food contact materials, is NSF-certified as well as compliant with the French Norm AFNOR NF D21-901. The head and piston as well as its bottle, are made of high-quality, rust free stainless steel. This ensures its reliability, durability and simple

use and also enables its use in HACCP compliant environments. All components can be cleaned in the dishwasher. Ergonomic design combined with state-of-the-art technology make the WHIPcream INOX the perfect all-rounder for the professional kitchen.

Only ever use KAYSER WHIPcreamers with KAYSER cream chargers.

KAYSER Berndorf GmbH & KAYSER s.r.o.

KAYSER's strategic focus is committed to our customers and their requirements who and which define our mission. We strive to anticipate and to fulfil the market's demand in all segments of our niche market. We export more than 95 percent of our products to more than 70 countries worldwide. Customer communication, market observation, identification of new developments and smart technology are systematically integrated in all KAYSER processes. To fulfil or even, to exceed the requirements of our customers, KAYSER is constantly reviewing and improving all our products, facilities and processes. Our organisation is ISO9001, ISO14001, ISO22000, HACCP and

IFS-Food certified, and our chargers are EN16509 certified. The fact that KAYSER products are consumables defines our focus on trustful long- term business partnerships. Reliability and compliance with stipulated conditions is our number one priority, not only because our products generate a constant demand from our distribution partners, but because they rely on us to meet it. KAYSER develops and supports a trustful cooperation with all stakeholders and business partners. We act responsibly and solely cooperate with partners, who take on responsibility seriously just as well.
